

## Deviations/Exceptions

Any deviation or exception to information found within the solicitation must be identified below. Any deviation, exception or the inability of the vendor to comply with a particular item found within the solicitation must be clearly and fully stated. Failure to list any deviations indicates full compliance with the solicitation.

| Section | Page | Item | Reason for Deviation or Exception |
|---------|------|------|-----------------------------------|
|         |      |      |                                   |
|         |      |      |                                   |
|         |      |      |                                   |
