

**ADDENDUM**  
**Cooperative Procurement Alliance Terms**  
**Sacramento County Procurement Alliance (SCOPA)**  
**CONTRACT REQUIREMENTS**

**County of Sacramento (Lead Agency)**

The **Sacramento County Procurement Alliance (SCOPA)** is a procurement alliance formed by the County of Sacramento, Sacramento CA, for the benefit and participation of surrounding entities. The group may include, but is not limited to, entities such as local governments, educational institutions, special districts or non-profits, that have joined together to leverage their joint buying power. By pooling their procurement needs, these agencies can secure better pricing, favorable terms, and a broader range of goods and services, often with reduced administrative burdens.

For awarded suppliers, engaging with an alliance (aka community cooperative) offers significant benefits. Suppliers gain access to a wider customer base through a single point of contact, simplifying the sales and procurement process. This streamlined approach reduces administrative burdens and opens opportunities for suppliers to secure contracts they might not have accessed independently.

Additionally, alliances are designed to support both local and national suppliers, creating opportunities for businesses of all sizes to participate in contracts that emphasize community engagement and economic impact. This inclusive approach allows suppliers to expand their market reach and develop meaningful relationships within the community. By partnering with an alliance/cooperative, suppliers can benefit from a collaborative environment that values their contributions and promotes sustained growth and ongoing collaboration

**Participating Procurement Agency (PA) Contracting Authority Explained:**

**1. Cooperative Purchasing**

This Solicitation is being conducted by LPA **County of Sacramento** on behalf of **SCOPA**’s Member PAs and allows for purchasing by additional PAs from the resulting Master Agreement. This is referred to as “cooperative purchasing,” and the Master Agreement is considered to be a “cooperative contract.” This type of purchasing is a generally accepted procurement method recognized under state and federal law.

**2. How Other Agencies Can Use This Contract**

If an agency (such as a city, school district, higher education institution, or county) wants to use this contract, it first needs to register as a Participating Agency (PA) through BESPOKE’s Administrative

Services Program by signing the BESPOKE Master Intergovernmental Cooperative Purchasing Agreement (MICPA), available at [www.bespokecommunity.org](http://www.bespokecommunity.org). BESPOKE and SCOPA facilitate the contract's cooperative framework but are not involved in individual purchase orders or participating agreements—awarded supplier(s)' primary relationship will be with each agency that utilizes the contract.

3. **Agency-Specific Terms and Conditions**

Each PA may negotiate mutually agreed upon terms that respect the conditions of this Solicitation and resulting Master Agreement directly with the awarded supplier(s), allowing them to tailor the contract to meet their individual agency requirements and policies. A PA may also create their own entirely new contract that references this procurement.

4. **Supplier Administrative Fees**

All fees associated with servicing the awarded contracts(s) are clearly and solely outlined in this Solicitation and shall be collected by BESPOKE on behalf of SCOPA. These fees are separate from the agency-specific terms and conditions that may be negotiated with specific PAs; no additional supplier administrative fees may be charged by a PA.

5. **Local Customization Options**

Certain Solicitation or contract terms that apply specifically to **County of Sacramento** such as governing law, may be adjusted for each PA. PAs may also request additional agreements for specific needs like delivery schedules, invoicing requirements, or support for local diversity initiatives.

6. **Direct Transactions with Each Agency**

All transactions—such as orders, invoices, and payments—will be managed directly between the awarded supplier(s) and each PA. BESPOKE and SCOPA do not manage these transactions; each PA handles its own purchase orders or participating agreements with the awarded supplier(s) directly.

7. **Procurement Compliance**

Each PA has full discretion and responsibility for any purchases made under this contract and must ensure its participation in the Master Agreement aligns with the requirements governing its own procurements. **County of Sacramento** certifies that its administration of this cooperative contract complies with the requirements governing its procurement of the Products identified in this Solicitation. Any PA participating in or purchasing from the contract is therefore deemed by law to have complied with the requirements governing their own procurement activities, and a separate procurement by each PA is generally not required.
