

In-Use Off-Road Diesel-Fueled Fleets Regulation

(California Air Resources Board (CARB))

As of January 1, 2024, amendments to the In-Use Off-Road Diesel-Fueled Fleets Regulation ("Regulation") require prime contractors and public works awarding bodies to verify and obtain Certificates of Reported Compliance ("Certificates") from all fleets and subcontractors using vehicles subject to this regulation. Non-compliance with these requirements can result in penalties, including fines and restrictions on participating in public works contracts.

The Regulation, enforced by the California Air Resources Board (CARB), mandates the reduction of diesel emissions from off-road vehicles operating in California. This regulation applies to all self-propelled off-road diesel vehicles 25 horsepower or greater, except certain exempt vehicles. It requires fleets to meet progressively stringent emission reduction targets, achievable through retiring older vehicles, retrofitting with emission controls, or acquiring newer, cleaner models. Compliance is monitored through mandatory reporting and vehicle labeling, ensuring adherence to the established emission standards.

Prime Contractor Obligations:

- New valid Certificates for fleets with ongoing contracts will be collected annually between March 1 and June 1.
- Only fleets with valid Certificates will be allowed on the job site.
- Compliance with reporting requirements for non-compliant fleets or vehicles will be ensured.

Compliance Declaration:

1. Will any vehicles subject to the In-Use Off-Road Diesel-Fueled Fleets Regulation be used in this project?

☐ Yes ☐ No

2. If 'Yes,' please list all fleets and subcontractors that will use such vehicles in this project:

CONTRACTOR/SUBCONTRACTOR NAME	DOORS FLEET ID

3. For each listed fleet/subcontractor, please attach a copy of the valid Certificate of Reported Compliance.

By signing below, I certify the information given above is correct and I have provided all the required Certificates. I further certify I shall provide copies of all Certificates obtained during the duration of the Contract to County if awarded the Contract.
