

**SOUTHERN CALIFORNIA LOGISTICS AIRPORT (SCLAA)  
SENATE BILL 854**

**PROJECT NAME AND TITLE:** \_\_\_\_\_

Senate Bill 854 signed into law on June 20, 2014, became effective immediately. It established a new public works Contractor registration program which will collect fees to fund compliance monitoring and enforcement, determine prevailing wage and public works coverage, and hear enforcement appeals.

All Contractors and subcontractors intending to bid or perform work on public works projects will be required to register, and annually renew, online for the program. This is a Department of Industrial Relations (DIR) fee paid to the State of California. The City will not register a Contractor/subcontractor, nor collect funds for registration.

Starting July 1, 2017, the new annual registration fees for public works contractors have increased to \$400.00, and contractors on small projects are exempt from public works registration and electronic certified payroll reporting requirements.

**Subcontractor Eligibility:** Contractor acknowledges that under Public Contract Code Section 6109 no contractor or subcontractor who is ineligible to bid or work on, or be awarded, a public works project under Labor Code Section 1777.1 or 1777.7 may bid on, be awarded, or perform work as a subcontractor on, a public works project. Contractor is prohibited from performing work on a public works project with a subcontractor who is ineligible to perform work on the public works project under Labor Code Section 1777.1 or 1777.

**Small Project Exemption:**

Contractors who work exclusively on small public work projects are not required to register as a public works or file electronic certified payroll reports for those projects. Contractors are still required to maintain certified payroll records on a continuous basis and provide them to the Labor Commissioner's Office upon request.

The small project exemption applies for public works projects that do not exceed:

- \$25,000 new construction, alteration, installation, demolition, or repair
- \$15,000 for maintenance

The City as applicable will be required to fill out a form alerting the DIR of the services you are providing the City. Detailed information is required to complete this form. You may be asked to provide information needed to complete the DIR form. You will be asked to complete this in a timely manner to avoid interruption in the services you are providing.
