

## **COST SHEET**

### **Transit & Heavy Machinery Fleet Maintenance**

Please provide pricing for all categories listed below. The price shall be required to be firm for the initial year of the contract period. The award of the contract will be made to the most qualified responsive and responsible respondent in accordance with the criteria as outlined within this Request for Proposal. The County reserves the right to reject any or all proposals.

| <b>Category</b>                              | <b>Service Period 7/1/26 – 6/30/27</b> |
|--|--|
| Labor Costs                                  | \$                                     |
| Parts & Supplies                             | \$                                     |
| Overhead Expenses                            | \$                                     |
| Administrative Costs                         | \$                                     |
| Subtotal cost Contract                       | \$                                     |
| Management/Service Fee                       | \$                                     |
| Price Options: County Purchase of MIS System | \$                                     |
| Total Cost                                   | \$                                     |

By submission of this form, the proposer agrees, should this proposal be accepted, to execute the form of the Contract and present the same to the County for approval within thirty (30) days after being notified of the awarding of the Contract.
