

## REFERENCE LIST

Offerors must use this template. The Reference List's "Ref #" must correlate with the references indicated on the Scope / Level of Expertise and Value-Added Plans. All references cited must have their Point of Contact (POC) readily available if follow-up questions or verification of project information and performance is required by City. Any References listed which are not readily available may be considered invalid in the scoring of the Scope / Level of Expertise and Value-Added Plans.
