

## ATTACHMENT G (2) – VALUE ADDED PLAN (VA)

Offerors must use this template. The Value-Added Plan should identify any **value-added options or ideas that may benefit the City**. The value-added claims should be prioritized (identify the most important claims first). The Offeror may add Value Added Claim rows to the table template, but **do not exceed the 1-page limit for this section**. Do NOT include any identifying information in the Plan. Information supported by an indicated reference must have a corresponding reference listed in Attachment E: Reference List. Each value-added claim will provide a brief description, extra cost/delay, and impact which describes how it would affect the project in terms of cost, time and/or quality.

**\*Note: the instructions above and the example in table below may be deleted from this form.**

#	Value Added	Cost	Delay	Impact	Ref #
	Example: On-Call Clinician Support	5%	0	Increased cost by 5%	1
