Document 00 46 00 – Municipal Bidding  
Requirements

1.01 Non-Delinquency of Tax

- A. As a result of a recent amendment to the Illinois Municipal Code (Adding Section 11-42.1-1), the City of Bloomington is prohibited from entering into a contract with any individual or anyone else that is delinquent in the payment of any tax administered by the Illinois Department of Revenue, unless that party is contesting the tax in accordance with procedure established by the particular taxing act. Further, before awarding a contract, the City of Bloomington is required to obtain a statement under oath from the party with whom it's contracting that no such taxes are delinquent. If a false statement is made, it voids the contract and allows the City to recover all amounts paid to the individual in a civil action.
- B. The Certificate of Non-Delinquency of Tax is included in Section 00 46 00. The bidder shall submit the Certificate with his Bid.
